

## Flex-Health-Mask

#stay safe #be sustainable

Mouth-Nose Mask to protect yourself and others. Excellent fit and easy handling – Thanks to the quick-drying and stretch properties of the material it can be used for all your daily activities such as shopping, at work, during meetings or even at home. Ideal for wearers of prescription glasses (no fogging). Our material is according to OEKO-TEX® Standard 100 certified, equipped with antiviral (virucide) and antibacterial (bactericidal) coating and washable at 60° C.
